What's the basic schedule for the weekend?

Contra every afternoon and evening. We'll also have a techno contra, ECD, workshops, and opportunities to share meals with new and old friends! More info at www.butterflywhirl.com/schedule.

Do you offer housing?

We sure do! Make a note on your registration form and we'll match you up with a local who has volunteered to host. But sign up now – it's first come, first served! If you're a local who can host dancers, let us know on your registration form too!

What's this about subsidized childcare?

Kids are awesome, but sometimes it's hard to dance when you've got little ones who can't quite entertain themselves and insist on being picked up in the middle of a dance. You'll pay just \$5/kid/hour (max \$10/family/hour) to have a trusted local babysitter watch your kids (and your friends' kids). Note that you're interested on your registration form, and we'll reach out closer to the dance to find out your needs.

How can I sponsor a dancer?

Sometimes life gets you down, but dance can help keep your spirits up. If you're doing well right now, consider helping sponsor someone who's struggling. We'll match your donation, and you'll be helping your friends join the fun. For those needing some assistance, watch our Facebook page for details. More info at www.butterflywhirl.com/sponsorships.

What is the Ishtar Project?

The Ishtar Project helps Atlanta area non-profits install solar panels, thereby helping reduce our dependency on fossil-fuel-based electricity and helping amazing people continue to do amazing things in Atlanta! More info at www.butterflywhirl.com/ishtar-project.
